

**Crowell/Hilaka Memory Project Interview Questions** (please print or write neatly, use more paper if needed)

The Friends of Crowell/Hilaka group is eager to hear about some of your experiences you have had in the camps. Both camps have been sold in 2014 to the Richfield Joint Recreation Committee to make a park system for the residents of The Village of Richfield and Richfield Township. The Friends of Crowell/Hilaka would like to keep alive the memories of the Girls Scout part of that history, the time the camps were owned by the scouts. The stories you share with us today will help us piece the history together of how people enjoyed the camps as children and adults. We would like to save this interview in the archives of The Richfield Historical Society (and hard copy), and we might use it for advertising, events, publicity, historical reference and many other uses as we see fit over time.
