Subject: GSNEO Board Decision

The Board of Directors of the Girl Scouts of North East Ohio approved LIMITED, PARTIAL USE of Camp HILAKA (not Crowell) at the September 2, 2009 Board Meeting. The positive efforts of the Friends of Crowell/Hilaka (FOCH) in increasing utilization, supporting the Fall Product Sale and Cookie Sale, and securing volunteer participation in maintaining this camp will be most helpful in these difficult financial times. The future of all GSNEO camps is unknown pending the results of the "Vision 2012" initiative. Details regarding the operational implementation of this decision will be announced at a later date. We will keep you informed as we move forward.
Fred Cash, chmn. Property Committee
